

Nissan Forklift

Nissan Forklift Training Toronto - Nissan Motor Co. Ltd prides itself on achieving complete customer happiness when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and meticulous quality standards to their clients. Incorporating a rich heritage combined with strong processing principals, Nissan lift trucks offer many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the company has four independent production facilities that allow them to continually adapt to their clients continually evolving requirements by providing a range of innovative ideas and designs.

The Nissan Lift truck North and South American foundation is stationed in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to maintain environmental accountability by using methods that diminish the worldwide effect of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers require whilst being an environmentally responsive company.

Nissan is quite confident that any of their consumers queries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even going to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
